Company Registration Records | National Records of Scotland
Scots law is the legal system of Scotland. It is a hybrid or mixed legal system containing civil law and common law elements, that traces its roots to a number of different historical sources. Together with English law and Northern Irish law, it is one of the three legal systems of the United Kingdom. Early Scots law before the 12th century consisted of the different legal traditions of the various cultural groups who inhabited the country at the time, the Gaels in most of the country, with the

Scots law - Wikipedia
Section 4 (2) of the Partnership Act 1890 is the relevant wording and provides that "In Scotland a firm is a legal person distinct from the partners of whom it is composed..." These 17 words crucially recognise a Scottish partnership (including a Scottish limited partnership) as a legal person distinct from each partner.
