The Elder Scrolls 5 Skyrim is one of the biggest games in history. It is almost impossible to learn all its elements by yourself, so we created this tutorial. It contains a complete walkthrough describing all the quests present in the game (main, side, Deadric, Guild-related, and those related to the civil war), as well as their branching paths and alternative ways of completing them.

A beautiful book - at 653 pages it is a huge representation of the game world space and packed full of hints, tips clues. The poster map is beautiful although the writing is a little hard to make out. The two sections on training are a great background to understanding how the levelling works, and how to go about building your character.
