~~Education Research Paper on Standardized  
Tests — iResearchNet~~

Research Paper on Standardized Tests  
Standardized testing is an evaluation tool,  
the purpose of which is to measure and  
evaluate the performance of students in  
relation to the other students participating  
in the same test. Such tests are generally  
issued by specialized institutions (e.g.,  
College Board).

~~What Does the Research Say About Testing? | Edutopia~~

The intent in standardized testing is to have large numbers of students write a single test, then to compare any single score against all others to see how an individual's score compares to the large sample. The results are then posted on a bell curve that indicates where a score sits within descriptive statistical standards.
