This article explores the concept of the "active reader," which is getting more and more attention nowadays. Its main aim is to present a typology of what this active readership means, in the phases before actual reading, in the reading phase, and in the after-reading phase. The elements of this typology are subsequently explicated.

The understanding is attained by students through active reader strategy. There are four important principles developed in understanding the text through this strategy, namely 1) building basic understanding of the text, 2) conducting reading activities in chronological order of the text, 3) identifying the style and language of the text, and 4) critically deepening the understanding of the text.

The Active Reader By Eric Henderson

Active reading involves deeper engagement with the text before, during, and after reading. The Reading Lab promotes active reading by modeling strategies and techniques to support it. A good way to understand active reading is by comparing it to what it is not, what ' s sometimes called passive reading.
