The American Dream And The

The American Dream is a national ethos of the United States, the set of ideals in which freedom includes the opportunity for prosperity and success, as well as an upward social mobility for the family and children, achieved through hard work in a society with few barriers. In the definition of the American Dream by James Truslow Adams in 1931, "life should be better and richer and fuller for everyone, with opportunity for each according to ability or achievement" regardless of social class or ci

American Dream - Wikipedia

The "American Dream" is a sort of ethos or set of beliefs that drive many U.S. citizens as they work toward creating a life for themselves. This set of ideals " which includes notions of individual rights, freedom, democracy, and equality " is arguably centered around the belief that each individual has the right and freedom to seek prosperity and happiness, regardless of where or into what circumstances they were born.

American Dream - Definition, Origin and Historical Phases

The American Dream is the belief that anyone, regardless of where they were born or what class they were born into, can attain their own version of success in a society where upward mobility is...

American Dream Definition - investopedia.com

The American Dream is the aspirational belief in the US that all individuals are entitled to the opportunity for success and upward social mobility through hard work. Learn A New Word Right Now!

The American Dream | Dictionary.com

My American dream is a safe place for everyone. The poor, needy, sick, the helpless everyone. No more danger in the streets or fear to walk down your own block at night. A sanctuary of sorts, where everyone can at least go to work and provide for their families and do what they love in peace.

Photos: What Does The American Dream Even Mean?

"The American Dream is that dream of a land in which life should be better and richer and fuller for everyone, with opportunity for each according to ability or achievement." This is the first public American Dream definition from historian James Truslow Adams' best-selling book "Epic of America," published in 1931.

What is the American Dream Today & How It's Changed Over ...

The American Dream is the idea that the government should protect each person's opportunity to pursue their idea of happiness. The government protects the rights of you and every other American citizen to find their path to economic prosperity. Unlike many other countries, you are not required to follow your father's profession.

What Is the American Dream: History, Quotes

The American Dream is based on the ideals of creating a more successful life by working hard and earning more money. It suggests that once one achieves success, economic expansion, and social mobility, he/she will experience happiness and contentment. The dream exhorts materialism above everything else and this may be harmful for the society.

The American Dream: Negative and Positive Aspects - 1361 ...

The American Dream is that dream of a land in which life should be better and richer and fuller for everyone, with opportunity for each according to ability or achievement. It is a difficult dream for the European upper classes to interpret adequately, and too many of us ourselves have grown weary and mistrustful of it.

History of the American Dream - Historyplex

The Great Gatsby is a tragic love story on the surface, but it's most commonly understood as a pessimistic critique of the American Dream. In the novel, Jay Gatsby overcomes his poor past to gain an incredible amount of money and a limited amount of social cache in 1920s NYC, only to be rejected by the "old money" crowd.
