The Art of Travel. Few things are as exciting as the idea of travelling somewhere else. But the reality of travel seldom matches our daydreams. The tragi-comic disappointments are well-known: the disorientation, the mid-afternoon despair, the lethargy before ancient ruins. And yet the reasons behind such disappointments are rarely explored. We are inundated with advice on where to travel to;

The Art of Travel by Alain de Botton - Goodreads

In The Art of Travel, essayist Alain de Botton reflects on the philosophical dimensions of travel: he sees travel as a reflection of the human search for happiness and wonders how and why people should travel, not merely where. To this end, in each of the book's nine essays, de Botton juxtaposes his own travels with those of canonical Western artists and writers (all are European men from the 18th and 19th centuries, besides one 20th century American man, painter Edward Hopper).

The Familiar and the Foreign. In The Art of Travel, the philosophical writer Alain de Botton draws from his own experiences abroad, as well as those of distinguished artists, thinkers, and fellow-travelers throughout history, to explore the essential allure of travel. The book's nine loosely-connected essays juxtapose his own voyages with the travels and travel-related musings of men of European literary and artistic fame.
