because they're held back by debt. Using biblical principles, case studies, and practical advice, the authors answer the questions: – How do most churches and ministries get into financial troubles in the first place?

The Debt-Free Church | POV Resource Center

The debt-free church trains the congregation to save for the future and practices what they preach. Many churches take a “use it or lose it” approach to their cash flow, but debt-free churches have a spending plan in place that involves saving for future expenses. Having cash saved up is vital for the church to survive and prosper.

This is true for us as well. Faced with an insurmountable sin debt, we are tempted to offer small “payments” to appease God, such as joining a church or putting money in the offering plate on Sunday. But the debt was already paid in full when Jesus died, and we can say with assurance the words of Galatians 5:1: “For freedom Christ has set us free; stand firm therefore, and do not submit again to a

Nine million in 'serious' debt across the UK - BBC News
The typical American household carries an average debt of \$137,063, according to debt.org. Now, imagine how it would feel to be debt-free. Every cent paid. The feeling you're having right now is how God encourages us to respond to having our sin debt paid. We were dead, and now we're alive! (Colossians 2:13) We
