The Eyes of the Dragon was the very first Stephen King Novel I ever read, and neither its style, nor its setting, are what the majority of his books conform to, though as time goes on, King seems to be just as comfortable branching off into other sub-genres of horror/suspense. The Eyes of the Dragon, however, is just a straight-up Fantasy Novel. No bones about it. It takes place in a kingdom ...

The Eyes of the Dragon Quotes Showing 1-30 of 42 "He knew as well as we in our own world do that the road to hell is paved with good intentions—but he also knew that, for human beings, good intentions are sometimes all there are.
