“ *The Golden Theme* ” by Brian McDonald is perhaps one of the truest books on writing I have ever read. It showcases some very simple topics that will help improve your writing tremendously: Good writing is true writing. In order to be a compelling author you must be honest with yourself. All stories are those of survival.

Golden Theme - Download

Religion and politics are important and intertwined themes in The Golden Compass. A mysterious and faceless theocracy called the Church dominates Lyra ' s world. Yet the novel makes no mention of spirituality in relation to the Church. Rather, religion seems to be little more than a political system.
