" The Northern Dawn is a valuable historical overview of Germanic spiritual culture, from the earliest times in southern Scandinavia and northern Germany, through its spread further and its interaction with Christian influences. Predicated on the principle ' From the North comes the light, ' this book details various aspects of the traditional Germanic worldview, demonstrating the endurance of the traditions through time.

The Northern Dawn: A History of the Reawakening of the ...

Such ideas have continually remanifested themselves when called upon to renew and inspire the world to which they belong. The Northern Dawn is a history of the persistent reemergence of these ideas despite continuous anti-cultural efforts to destroy them by adherents of medieval and modernistic repression.
