The trivium refers to the three liberal arts considered in classical Greece to be the pillars of critical thought: grammar, logic, and rhetoric. Following on the success of Quadrivium and Scientia , Trivium gathers six Wooden Books titles together into a beautiful six-color package that presents ancient wisdom in an accessible way.

Amazon.com: Trivium: The Classical Liberal Arts of Grammar ...

The word trivium, from Latin, is made of two parts. The first part tres meant "three" and the second part via meant "way". In antiqity and the High Middle Ages, there were different ways of teaching young men at the university. The trivium was three simplest ways to study the world, and so young men learned them first. After the trivium, they studied the quadrivium. Together, these subjects were called the seven liberal arts. The most difficult, and final subject studied was theology. The ...
