The Year of the Flood

Oryx and Crake is a

2003 novel by

Canadian author

Margaret Atwood .

She has described the

novel as speculative

fiction and adventure

romance , rather than

pure science fiction ,

because it does not

deal with things "we

Access Free

The Year Of

can't yet do or begin
to do", [1] yet goes
beyond the amount of
realism she associates
with the novel form .
