How Do You Take Notes For Med School? Toronto Notes For Medical Students

Toronto Notes is a concise and comprehensive medical review revised annually by the University of Toronto student contributors under the guidance of the Faculty of Medicine. This reference text started as a compilation of notes written by and shared among University of Toronto students to study for their medical licensing exams.

Toronto Notes – Study Smarter

Many landmark trials have been included to reflect the most current evidence across all medical specialties. The new division of Toronto Notes into three textbooks—medicine, surgery, and primary medicine—enhances readability and eases the load of studying for the Canadian and American medical licensing exams. We have also redesigned our website to more closely reflect the layout of the textbook and to enrich the learning experience.
