# Read Book Us Vs Them The Failure Of Globalism

Bremmer is to diagnose the failure of globalism and to consider what the pathway back from defeat may look like. This is the focus of Bremmer's *Us vs. Them: The Failure of Globalism*. In his account, the failure of globalism is not centered on Brexit and Trump, but emerges from a larger configuration of political and economic forces that ...

They hear new voices and see new faces all about them. They feel their cultures shift. They don't trust what they read. They've begun to understand the world as a battle for the future that pits "us" vs. "them." Bremmer points to the next wave of global populism, one that hits emerging nations before they have fully emerged.
