This is a great book to share and discuss all the changes going on inside 'mummy's tummy'. Every month a new picture shows how big baby is and how far along a timeline (featured at the foot of each spread) baby has moved. The real attraction of the book is the 'life-size' nature of the drawings, giving mother and child a fantastic opportunity ...

What children need are simple pictures explaining a baby growing in mummy's tummy. No book on Amazon, including this one helps. Older children don't need this book the text is far too advanced and if your child can understand that, then you don't need a book at all. You need a clear picture with a mummy and a window in her tummy.
