As members of the working class, white-collar workers are part of the most progressive force in history. This class, armed with its own ideology and Party, its vision of a new society without the ravages of capitalism, is destined to destroy the system of exploitation which created it. It is the task of our Party to enhance the ideological understanding, to work for the conscious unity of this class; to bring the class and the Party born from it to the strength and maturity necessary for the ...

White Collar - a myth destroyed, a class made stronger

Perhaps the greatest myth about white-collar crime is that Americans struggle to understand it—as if chemical companies toxifying rivers or insurance executives gouging their customers fail to stimulate our moral intuitions. In fact, surveys consistently show that the vast majority of the population considers white-collar crime more harmful ...
